

- 1. *Observation:*** What did you see and hear? What do you think the child saw? Felt? Heard?
- 2. *Document and Assess:*** How will you record this activity? Notes? Photos? Audio tape?
- 3. *Reflect and Plan:*** How might you extend and expand this experience for this child? What can you do? What activities might you provide? What materials would you need?
- 4. *Implement:*** When will you offer this activity/material/experience?
