

Voter Registration

CHSA is pleased to announce the availability of **FREE** California Voter Registration Tool Kits designed with Head Start parents and community friends in mind.

Each Took Kit has supplies (pens, clipboards, tape, signs, decorations and much more), directions on how to host a voter registration activity and voter registration cards. And, yes it is **FREE!** – All we ask is that you reach out to 25 individuals in your community.

**Our goal is to register 5000 new voters in 2010!
Head Start Works! & Head Start Votes!**

Tool Kits are not to be used at Head Start worksites, but are available to all Head Start parents, friends and alumni. Programs must comply with all federal laws pertaining to elections and voter registration activities. Parents, friends, alumni and staff “after hours” are encouraged to join our effort to invite the Head Start community to become educated, aware and vote this November.

Fax (916-444-2257) or mail (1107 9th Street, Suite 810, Sacramento, CA 95814) this form to CHSA and a Voter Registration Tool Kit will be mailed to you. For more information, call Michael Terronez, 916-444-7760
